

Boarding Contract

This Contract is between Wilson's Dog Training (hereinafter called the "Kennel") and the pet owner/representative whose name(s) appears below (hereinafter called the "Owner"). The term "Pet" refers to all pets boarding with the same ownership.

Name of Owner(s): _____

Please read carefully and initial each item.

___ 1. Owner specifically represents that he/she is the owner of the kenneled pet, or has been authorized by the Owner of the pet to enter into this Contract as the Owner's agent.

___ 2. Owner understands that the \$25 deposit/per dog is non-refundable if they should have to cancel.

___ 3. Owner understands and agrees that the pet shall not leave the Kennel until all charges are paid in full. Owner is aware that if the date and/or time of pick up is extended without prior approval of the Kennel there will be an additional charge.

___ 4. Owner understands that there is a nightly boarding fee charged on the day of arrival (regardless of the check in time), and there is a full-day charge for the day of departure if check out is after 3 p.m.

___ 5. Owner understands that the Kennel staff is not a veterinarian or registered veterinary technician. Kennel does not board any pets with medical conditions other than those stable with oral medication.

___ 6. Owner understands that extra charges will be added to the bill for check in or check out outside of the regular pick-up / drop-off hours. Kennel must approve said action in advance of boarding and will advise Owner of the fee amount & terms at the time the request is approved.

___ 7. Owner understands that extra charges may be added to the bill at discretion of management for special handling or treatment that is above and beyond routine care, i.e. an unexpected bath, etc. Special handling is defined as services beyond our standard boarding care due to behavior problems, excessive accidents, health issues, or other unexpected care not anticipated at time of check in. Owner agrees to pay all such charges.

_____8. Owner understands that the dog yard is only moderately supervised and Kennel is not liable for pets that are jumpers/climbers, diggers or others that can escape dog run enclosures, have behavior problems or bee allergies, eat gravel/rocks, are unstable on uneven surfaces such as gravel/rock, encounter dogs shedding parasites (worms), and other such occurrences that can occur in an outdoor setting.

_____9. Owner understands that if the Kennel has to supply food, there will be an additional \$3 charge per day per pet. Owner also understands that a change in food may result in diarrhea.

_____10. In the rare event of diarrhea, Owner is aware that the Kennel uses yogurt, or pumpkin to help provide relief. These are all safe for animals and are recommended by veterinarians.

_____11. Owner understands that once the pet has been dropped off, the owner is committed to paying for the entire reservation, regardless if the owner ends up picking the pet up early. Owner also understands that reservations can be extended only in case of advanced notice, kennel approval, and availability.

_____12. If the Owner is running late, and has to pick up after hours there will be a \$20 charge. Excessive late pick-ups or drop-offs can result in Owner no longer being able to board at our facility.

_____13. All pets entering the Kennel must be clean and flea free. If upon inspection, this is not the case, a flea bath will be given at Owner's expense. \$35 for a flea bath.

_____14. Owner understands that very old pets may be sensitive to a change in environment and even though personal attention & care is given to all pets, this change in environment may be just enough to encourage an early passing.

_____15. Kennel shall exercise and give reasonable care for each pet while boarding. Under this reasonable care, Owner releases Kennel from, and waives all claims and liability against Kennel for or attributable to, injury or illness of the pet. Owner agrees that Owner shall be solely responsible for any and all acts and behavior of said pet while it is in the care of Kennel. Owner will be charged Damage fees for any damage caused by the pet to kennel structure and/or kennel property.

_____16. Owner understands that female pets in season may not board at the facility. If the female comes into heat while boarding with us there will be a \$5 fee for each day she is bleeding.

_____ **17.** Owner represents that the pet is healthy and has not been exposed to any known communicable disease within the thirty-day period immediately prior to boarding. Owner agrees to disclose to Kennel all known medical conditions and/or behavior problems, which may affect the pet's care prior to check in. Owner shall inform Kennel of any changes in the pet's condition and behavior at or prior to check in for all subsequent boarding stays.

_____ **18.** Kennel specifically requires all pets be vaccinated against communicable diseases prior to boarding. Kennel reserves the right to refuse admittance to any pet that is ill or that does not meet Kennel vaccine requirements. Despite these precautions, Owner acknowledges that Owner's pet will be in an environment with other pets during boarding, and understands all claims and liability against Kennel for all losses, damages, costs and expenses arising out of or in connection with any communicable disease contacted by Owner's pet during boarding.

_____ **19.** Owner understands that if the pet is not picked up within 30 calendar days after the day the pet is scheduled for pick up, the pet shall be deemed abandoned. Wilson's Dog Training then has the right to place the pet with a new owner. Owner shall remain liable for all boarding fees.

_____ **20.** Owner releases Kennel from, and waives all claims and liability against Kennel for, damage to, or loss of, personal equipment or belongings provided by Owner for pet while the pet is boarded. Items not taken home at checkout will be donated if not picked up within 60 days of check out date.

_____ **21.** Owner understands that Kennel reserves the right to refuse service due to the pet's behavior or health, excessive cancellations, no shows, or late arrivals, non-payment, or violations of said contract.

_____ **22.** Owner understands that the Kennel will do all it can to ensure that the owner's pet will have a safe enjoyable boarding experience. Owner releases Kennel and its staff, and will hold Kennel and its staff harmless from any liability or loss attributable to death, injury, illness, or loss of pet or from any liability or loss from any acts or condition of pet, including without limitation, damage to property, persons, or animals. In no event shall liability of Kennel or its staff, even for negligence, gross or otherwise, exceed \$300, and Owner will hold Kennel and its staff harmless from any liability or loss in excess of this amount.

_____ **23.** Owner gives permission for the kennel/staff to socialize their dog/dogs with other dogs.

_____ **24.** If the owner's pet is allowed to play with other pets, the owner understands that it is **not** without risk because some animals may bite or injure each other while playing. Owner waives and releases Kennel and its employees, from any and all liability of any nature, for any injury or damage which pet may suffer, including specifically, but not without limitation to, any injury or damage resulting from the action of any pet. If playtime is permitted by the owner, it is at the discretion of the Kennel as to which pets may play together based on observed temperaments by staff.
